

Children in the Asylum - Worksheet 2

Using the transcription of the case notes about Edith Annie Craven, answer the questions below:

1. How is the extract from Edith's Medical Casebook written? Who do you think wrote it? What sort of relationship do you think they had with Edith?
2. Rewrite the extract as an entry in your diary. What might you have been thinking and feeling? Think about possible reasons for your behaviour?
3. How do you think Edith was expected to behave?
4. Do you think Edith would have had these experiences if she was alive today?
